

zotero

A personal research assistant. Inside your browser.

The next-generation research tool

Zotero [zoh-TAIR-oh] is a free, easy-to-use **Firefox extension** to help you **collect, manage, and cite** your research. It lives right where you do your work: in the **web browser** itself.

Features:

- Automatic capture of citation information from web pages, library catalogs, online databases, and digital archives
- Storage of PDFs, files, images, links, and whole web pages
- Flexible notetaking with autosave
- Fast, as-you-type search through your materials
- Playlist-like library organization, including saved searches and tags
- Citation formatting and bibliography creation
- Integration with Microsoft Word and other applications and web tools
- Free and open source
